

Dear Student,

Parent and Progression Evening – Wednesday 7th February, 4.30 - 7.00pm

I would like to take this opportunity to invite you to our Parent and Progression Evening on Wednesday 7th February. On this evening you will have the opportunity to meet with your subject tutors, review your academic progress and identify your next steps towards positive progression. Your parents are also invited to attend this evening.

All meetings will take place in college and you will be able to make appointments with your tutors in the coming weeks. As stated above these will take place between 4.30 – 7.00pm. There will also be an opportunity on this evening to speak to our careers and welfare teams in college and also visit university providers.

All students will be provided with a booking form during their tutorial and it is your responsibility to make appointments with each of your subject tutors.

We look forward to seeing you and discussing next steps for your progression.

Preston College Careers Fair (Wednesday 21 February)

In addition to our Parent and Progression Event, Preston College will also be holding our annual Careers Fair. This will allow you to explore the progression options and opportunities in other FE courses, apprenticeships, full-time employment and higher education pathways. This will be on site and tutors and student managers will arrange for you to access the fair

If you require further information about our Parents and Progression evening, please speak to your student manager or tutors.

Yours sincerely,

Kate Morris
Pastoral Manager (16-19 and adult provision)
