WELCOME

I would like to personally welcome you to Preston College and thank you for choosing to study with us this year. I will become the Principal and Chief Executive of Preston College on 1 September, and am delighted that like me, you have decided to become part of the wonderful Preston College community. We are all excited to support you on the next stage of your learning journey.

At Preston College, our focus is not only on helping you achieve your qualification, but also on supporting you to develop the skills, confidence and experiences you need to successfully progress to your next step, whether that is university, an apprenticeship or employment.

Every student's journey is different, and our dedicated staff are committed to helping you achieve your goals, overcome challenges and realise your full potential. Our highly skilled teachers are experts in their fields, bringing industry knowledge, professional experience and a passion for learning into the classroom. Working alongside our wider support teams, they will create an environment where you can develop, grow in confidence and achieve your ambitions.

Beyond the classroom, you will have access to a wide range of support and opportunities. Our Careers, Welfare and Learning Support teams are here to provide guidance whenever you need it, and your Student Manager will work alongside you throughout your time at college, helping you stay on track, overcome challenges and make informed decisions about your future.

Our campus offers excellent facilities and a vibrant learning environment designed to help you succeed. We want your experience at Preston College to be positive, rewarding and memorable, and we are committed to helping you make the most of every opportunity available to you.

Most importantly, we are here to help you achieve your ambitions and take positive next steps towards the future you want for yourself.

We are proud to have you as part of our Preston College community and look forward to celebrating your achievements and successes over the coming year.

I wish you every success during your time with us, and I look forward to seeing all that you achieve.

KATE WALLACE

Principal and Chief Executive

THE RIGHT PROGRAMME

PREPARING YOU FOR YOUR FUTURE

At Preston College we will ensure that you receive impartial initial advice and guidance to make sure that you are on the right programme.

From your very first day our focus is on helping you to achieve the highest standards, whilst facilitating your progression to further training, higher education and employment.

Preston College is committed to providing you with an outstanding educational experience by delivering high quality teaching and learning in order that you succeed on your chosen course.

This guide provides you with an insight into the College. For more detailed information, please log onto the online handbook through Canvas.

YOUR FIRST DAY

FIND YOUR WAY

- College Tour
- Pick up a map
- See classrooms

RECEIVE IMPORTANT INFORMATION

- Get your timetable
- Induction Presentation
- Classroom Expectations

EXPERIENCE CAMPUS LIFE

- Grab your lunch or buy it from college outlets
- Have fun in the Chill Zone
- Soak up the atmosphere

NEED TO KNOW

- Bring a pen and paper
- There are a lot of staff around, if you need any help just ask!

MEET PEOPLE

- Tutors
- Directors of School
- Students

YOUR TIMETABLE

Your timetable is individual to you and your course. The best way to get the most up to date version of your timetable is to access it on the College App. As an overview, here is how the day at college is divided into periods. You will have one lunch slot per day in either period 4 or 5, remember to check your app as this might not be the same every day.

PERIOD	TIME	
P1	9.00am - 10.00am	
P2	10.00am - 11.00am	
	11.00am - 11.10am	Morning break
P3	11.10am - 12.10pm	
P4	12.10pm - 1.10pm	Lunch 1: 12.10-12.55pm
P5	12.55pm - 1.55pm	Lunch 2: 1.10-1.55pm
P6	1.55pm - 2.55pm	
	2.55pm - 3.05pm	Afternoon break
P7	3.05pm - 4.05pm	

How can I access my timetable?

You can access your timetable via the Student Portal or Preston College App. If you are unsure, just ask your Student Manager or Subject Tutor.

SOME COURSES RUN OUTSIDE OF OUR MAIN TERM-TIME DATES

THEMED LEARNING WEEKS

CULTURE DAY

Wednesday 26 May 2027

Experience a variety of different cultural activities, music and food in our annual culture day!

WEEK COMMENCING	THEME
19 October 2026	Progress & Target Setting
9 November 2026	Safeguarding
30 November 2026	Skills Competition Week
11 January 2027	Health & Wellbeing
19 April 2027	Green Skills Week
14 June 2027	Achievement Week

Progress & Target Setting

An individual review to agree short and medium term targets with your Student Manager.

Safeguarding

A week of activities designed to raise awareness of safeguarding covering how to safeguard yourself and others.

Skills Competition Week

A week to showcase your skills and prepare for competition season.

Health & Wellbeing

A week of health and wellbeing activities in your classes and on campus. In the past we've had a range of activities you can take part in such as petting zoo, forest crafts and sport. You will also have the opportunity to learn more about health and wellbeing from guest speakers.

Green Skills Week

Green Skills Week encourages us to think about how small daily actions can support a more sustainable future. Whether it's reducing waste, conserving energy, recycling more effectively, or choosing greener travel options, every action makes a difference.

Achievement Week

A celebration of student achievements and fun activities.

COLLEGE EXPECTATIONS

You can expect...

- To feel safe, listened to and respected
- Us to use professional language when addressing others
- To be set stretching targets
- Regular feedback on your learning progress
- To make excellent progress and be prepared for future study or employment
- To receive an enjoyable learning experience
- Industry standard facilities and resources
- Us to support your learning needs
- Enrichment opportunities
- Work experience opportunities
- Careers guidance and next steps support

We expect students...

- To make the most of every learning opportunity and to achieve your full potential
- To be engaged and make a positive contribution
- To use appropriate and inoffensive language
- To show respect and consideration
- To arrive on time for lessons
- To be prepared for learning
- To dress appropriately
- To keep yourself and others safe e.g.;
 - Follow instructions
 - Wear your Student Membership Card
 - Smoke and vape only in designated areas

FIVE As OF AMBITION

Attitude

Positive behaviour and a strong work ethic are the foundations of a successful future.

Accountability

Take responsibility for the way your decisions and actions impact yourself and others.

Attendance

Excellent attendance is vital to your progress and demonstrates your commitment.

Aspiration

Aim high! We'll support your progression and career goals, so you can reach your full potential.

Achievement

Be proud of your progress and celebrate your achievements and qualifications.

ATTENDANCE

We know that every day at College contributes positively to your learning, and that every lesson attended leads to higher academic achievement and better chances of progression to either further study or into employment.

We are committed to making your College experience as positive as possible, and the 'Attendance Charter' on page 12 reinforces your responsibilities and the College accountabilities in supporting you to enjoy your College experience and positively achieve your chosen qualifications.

Our ambition is that every student attends every lesson, though we do recognise that sometimes attendance can be impacted by a range of factors. We will monitor your performance closely throughout your programme, and will celebrate positive attendance whilst also supporting and intervening if your attendance ever falls below expectation and becomes a concern.

What do I do if I'm ill?

Make sure that you let college know, before 9am. You can call the absence hotline number on 01772 225959, visit the webpage, or email absencehotline@preston.ac.uk. If you are leaving a message, make sure that you are clear on your reasons for absence.

What do I do if I miss the bus?

Call college and advise that you will be late in, using the absence hotline number, email or call your Student Manager.

I have been asked to work from home, will this affect my attendance?

If a member of staff is absent from the College we will always try to arrange cover for your lesson. If suitable cover cannot be arranged you may be asked to work from home. In this instance, your attendance would not be negatively impacted.

We have various attendance awards throughout the year to celebrate excellent attendance - be a part of it!

If you are absent you must contact the College using one of these methods:

Absence hotline: 01772 225959

Email: absencehotline@preston.ac.uk

ATTENDANCE CHARTER

In positively impacting on student attendance, the College will proactively engage all relevant stakeholders, and together we will;

Student

- Attend college every day and take part in learning, recognising that 'every lesson matters'
- To proactively inform the college if there are any barriers to learning
- To provide feedback relating to the college experience.

Delivery Staff

- Provide inspirational and engaging learning activities
- Ask students 'what will help' if attendance drops
- Provide a range of interventions to support attendance.

College

- Ensure a safe, positive and welcoming environment
- Where appropriate, talk to parents/carers if attendance becomes a concern
- Recognise individual need and cultural diversity
- Think holistically about learner's needs
- Championing our learners, celebrating progress and walking 'side by side' with them.

Parents/Carers

- Support my child to get to college
- Encourage, advocate and engage in your child's college experience
- Ensure my child has what they need to engage positively in college
- Ask them if they have any concerns with college and talk to the college if this is the case
- To effectively communicate with the college, outlining any barriers to attendance and supporting intervention.

External Partners

- Where attendance is a concern, include it in the child's plan
- Support families to understand expectations of them
- Link with Student Coordinators when there is a concern relating to attendance
- To ensure safe and nurturing living environments
- To ensure effective and timely access to healthcare provision and support needs
- To engage positively in multi-agency planning, monitoring and intervention.

Employer Partners

- Promote attendance, behaviours and attitudes as being integral to achieving employment beyond the college
- Support the delivery of engaging and inspirational curriculum
- To provide coaching and mentorship, modelling employment skills and behaviours.

**CLICK HERE
TO VIEW THE
POSITIVE
ATTENDANCE
FRAMEWORK**

STUDENT BEHAVIOUR

Does the College have rules about student behaviour?

Yes, the College has a Positive Behaviour Framework which we expect you to follow. This is based mainly on common-sense and courtesy and can be found on the College website under Policies and Procedures.

**CLICK HERE
TO VIEW THE
POSITIVE
BEHAVIOUR
FRAMEWORK**

Student Membership Card

For your safety, when on College premises, students, staff and visitors must wear their lanyard and ID badge/Student Membership Card at all times.

Lanyards and Student Membership Cards are provided to students at enrolment. For occasions when you may forget your Student Membership Card, you can obtain up to three temporary day passes from Student Services. If you lose your Student Membership Card, you can obtain one free replacement from Student Services. Please be aware that failure to wear your Student Membership Card will result in disciplinary action.

Mobile Phones

To help create the best possible learning environment for everyone, all mobile phones should be switched to silent mode and kept in bags throughout lesson time unless a tutor has given permission for them to be used as part of a learning activity. Minimising distractions allows students to stay focused, engage fully in lessons, and make the most of their learning experience. It also enables tutors to dedicate their time and attention to delivering high-quality teaching and supporting student progress, rather than addressing disruptions caused by inappropriate phone use.

Working from home

There may be occasion, for example in response to staff illness, when you are asked to work from home instead of attending College. If this happens, you will be guided towards a structured learning activity, and your College attendance will not be negatively impacted. We will endeavour to communicate in advance if this situation arises, and will ensure that you still have open lines of communication with the College, as required, whilst working from home.

**For your safety,
Student Membership
cards must be worn
at all times.**

SUPPORT

At Preston College, we want to ensure that you are able to talk about how you are feeling and can access emotional and academic support. The services we offer are below:

Initial Assessment

As part of your transition into college, within the first 6 weeks, staff members will work with you to ensure your individual starting points are recognised. From your starting point, you will be set appropriate targets to enable and support you to make good progress. These will be reviewed throughout the year to ensure you are able to maintain and exceed your target grade potential.

Extended Induction

Within your study programme, you will have an extended induction period, to ensure your transition into college is as smooth as possible and to help you settle in. Your curriculum tutors and student managers will be on hand to answer any questions and sign post you to internal services should you require any further help or support.

Tutorial

As part of your timetable, you will have a tutorial session delivered by your Student Manager. Tutorial subjects will cover a wide range of topics and help you navigate personal, social and emotional aspects of life as well as providing you with opportunities to boost your confidence and access any further support. These sessions are specifically designed to develop your skills and equip you for life after college.

Wellbeing First Aiders

Preston College has a wellbeing first aid team who have received specialist training to provide assistance in times of crisis. If you feel that you need support from a member of this team, ask any member of staff to call them and they will wait with you while they arrive.

Counselling Team

The Counselling Team offer a free and confidential service. The Service is staffed by a team of professionally trained and experienced counsellors who offer a time limited service for eligible students. The service operates during term time only and is based in Student Services (EA004). You can self refer or ask to be referred by your Student Manager.

Safeguarding Team

If you feel worried about yourself or others then you can talk to your Tutor, Student Manager or a member of the Safeguarding Team. **Contact details can be found on page 17.**

Student Manager

Every student has access to a Student Manager, who will be with you for the duration of your course, helping and supporting your progress. Your Student Manager is there to guide and direct you in your personal development and oversee your journey at college. If you need any help, support or simply just have questions, your Student Manager is the person to go to.

Exam Access Arrangements

If you have previously had any support in your exams or you have had support for your classes, please go to 'The Point' in Student Services to see a member of the SEND Team or ring **01772 225328**. The Application for support for Higher Education Learners (SEND) is via the Disabled Students Allowance (DSA). Again, please contact the SEND Team or alternatively go directly to www.direct.gov.uk/studentfinance

Bursary applications

Bursary applications must be made online. If you wish to apply for bursary funding, please visit www.preston.ac.uk/bursary

You will need to upload recent evidence of your household income, and also supply your own bank details. Your application cannot be assessed without the appropriate evidence. Please call Student Services on 01772 225656 if you need any assistance.

Student Services

We offer advice, support and guidance to all students across college. Student Services can support you with finances and college bursary, welfare and benefits information, counselling services, homelessness, transport information, safeguarding and Prevent. We are based on the ground floor of the main building (next to Reception) and are open in term time Monday-Friday 8.30am-4.30pm.

College Parking

Please note that the Sharoe Green Lane car park within college is partly used by Royal Preston Hospital and its staff. Signage is in place across the car park to indicate where you can park your vehicle and where hospital staff can park.

Preston College Equality Statement

Preston College is committed to creating an inclusive environment, where people are treated with dignity and respect and where we anticipate and respond positively to different needs and circumstances so that everyone can achieve their potential.

We celebrate, support and thrive on the differences that our diverse college community brings which in turn enriches the inclusivity of our organisation.

We believe that everyone has the right to be treated fairly and without discrimination, regardless of age, disability, sex, gender identity, race, religion or belief, sexual orientation, circumstances or background. The College community fully embraces the FREDIE principles of Fairness, Respect, Equality, Diversity, Inclusion and Engagement to advance equality.

STUDENT MANAGERS

When you arrive in college, you will be introduced to your Student Manager. Details of all Student Managers are below:

STUDENT MANAGER	CURRICULUM AREA	EMAIL	PHONE
Kate Morris	Pastoral Manager	kmorris@preston.ac.uk	01772 225503

INDUSTRY PLACEMENTS

Benefits of an industry placement:

The College will be a place where you can:

- Develop your employability skills.
- Learn new technical skills.
- Learn employment skills.
- Improve your CV ready for work.
- Gain employable opportunities (Jobs, Apprenticeships, Experience).
- Develop your interview technique and confidence.
- Learn to network and create your own network.
- Prepare for the demands and expectations in the workplace.
- Help you make an informed decision on your career.
- Improve your maturity, confidence and self-reliance.

98%
of students
believe that their
placement(s) were
valuable to their
development

LEVEL 1 & 2 COURSES

Level 1 and 2 programmes will experience a wide range of employer related activities, from employers delivering guest speaker sessions, to setting employer set projects for you to complete as part of your course. In addition, industry related trips and visits which will enhance your understanding of the sector you have chosen to study. On your course you will be supported with on going Information, Advice and Guidance in understanding employer expectations and employment opportunities within your local area.

LEVEL 3 COURSES:

- Level 3 programmes include work experience placement.
- T Level Placements (minimum of 315 hours in the workplace).
- Volunteering in the community to improve employability skills.

Industry Placement Team

The Industry Placement team can support you in securing your placement. Your course tutor will confirm with you how many hours you need to complete.

Placements give you the opportunity to put what you have learnt on your course into practice in the workplace and can even develop into offers of employment.

ENRICHMENT

During your time at Preston College, you will be able to take part in a number of enrichment activities, specifically designed to enhance your time at college. The 'Preston Active' enrichment programme has opportunities for you to develop skills and meet other people with similar interests. You will be able to try new recreational and leisure activities including sports sessions in football, badminton, cricket, volleyball, dodgeball and fitness or join clubs including gaming and board games to name just a few on offer. There are also opportunities for you to join the student council and put forward your ideas for improvement and have your say on the College's future.

As part of your course, you will be able to access:

- trips and visits related to your programme,
- employer visits and guest speakers
- bespoke careers events for your curriculum area and industry.

LEARNING ZONE

The Learning Zone, housed in the Upper Learning Zone, provides high quality support for learning outside of the classroom and a variety of individual and group study spaces.

Your dedicated and passionate learning zone team are always on hand to support your studies, to help you develop your independent study skills and provide a positive environment for you to thrive. The team offer a huge range of workshops and 1:1 support on key topics including developing Harvard referencing, assignment writing and revision skills.

The Learning Zone also offers self-issue kiosks for the borrowing and return of books, with eBooks and e-journals offered on a 24/7 access basis. The area also provides access to PCs, bookable group work rooms and individual study spaces.

More information can be found on the Learning Zone Canvas page.

CAREERS

Careers Advice

Preston College is committed to developing learners knowledge, skills and awareness of careers and the local labour market. Students receive high quality Careers Advice and Guidance, support with personal development of employment skills and industry placement experience. Our Careers Team work with curriculum areas to ensure our learners have the best experience. Visit the team in the Career Zone located on the College High Street to chat to our advisors who can support you with:

- Exploring and planning career ideas.
- Changing careers.
- University applications, finance and accommodation.
- Finding out about the labour market – to explore new and expanding industries.
- Finding the right course(s) to get into a career of your choice.
- Job search – where to find jobs and Apprenticeships, plus help with CVs, cover letters, application forms and mock interviews.
- External trips and visits.
- Researching progression options after completing your course.

**OPENING
TIMES**

Monday to Friday
9am – 4.30pm

Hints & Tips for Career Planning

A good career plan typically involves setting clear goals, identifying necessary skills and knowledge, creating a roadmap for development, and regularly reviewing and adapting the plan as needed. Here are some things to consider when creating a career plan:

- What are your hobbies and interests and what skills do they develop that could be applied to your future career?
- Research jobs that are of interest to you, what skills and attributes do they require?
- Do you have any connections through family, friends or work experience that could assist you in developing your skills or open doors to employment opportunities?
- What skills and knowledge do you already have?
- Do you keep up-to-date with industry trends in your future career?
- Set yourself goals by using short and long-term actions
- Regularly review your progress to evaluate if your current path aligns to your aspirations

Book an appointment with a careers advisor by visiting the Career Zone (on the High Street) or use the College App

FOOD OUTLETS

The Preston College campus offers an array of food and drink choices:

Food Court

Offering a weekly rotating menu with dishes from around the world, as well as familiar favourites.

Joe's Chicken in the Balcony Bar

Offers the ever-popular fast food chicken products and great value meal deals.

The Sandwich Bar

Here you'll find a 'Subway-style' menu where you can create your own sandwiches with various bread types, fillings, toppings and more.

Starbucks

From barista-crafted coffees and iced lattes, to bacon sandwiches and waffles, you can enjoy a drink and catch up with others on the course in the subsidised, on-site Starbucks.

The Shop

Our on-campus shop offers everything from sweet treats to hot drinks, alongside hot and cold snacks and other essentials.

If you are studying with us in the evening, we recommend checking outlet opening times.

PROGRESSION

On your study programme you will develop your understanding of careers within the sector you are studying and understand what your progression options are. You will also track your academic and personal progress in support of achieving the best qualification outcome. All your curriculum sessions are designed for you to develop wider employment skills and positive behaviours, in preparation for progression.

YOUR PROGRESSION OPTIONS MAY INCLUDE:

- Progress to the next level in your subject (e.g., from Level 1 to 2, or Level 2 to 3)
- Start a new subject area
- Start your own business
- Progress to an Apprenticeship
- Gain full or part-time employment
- Go to university.

PREPARING YOU FOR YOUR FUTURE

At Preston College we will ensure that you receive impartial initial advice and guidance to make sure that you are on the right programme.

From your very first day our focus is on helping you to achieve the highest standards, whilst facilitating your progression to further training, higher education and employment.

Preston College is committed to providing you with an outstanding educational experience by delivering high quality teaching and learning in order that you succeed on your chosen course.

E-CERTIFICATES

In recent years, colleges and educational institutions have witnessed a significant shift from traditional paper-based certificates to electronic certificates, commonly known as e-certificates. This transition represents a growing trend in embracing digital technologies to streamline administrative processes and enhance the overall efficiency and accessibility of certification systems.

The College is in the process of transitioning from paper based certificate to e-certificates. E-certificates offer staff and learners advanced efficiency, improved security, increased accessibility, and environmental sustainability. Embracing digital technologies in the certification domain reflects the ongoing digital transformation of education and highlights the commitment to modernise administrative procedures for a more seamless

PARENT SYSTEM & COLLEGE APP

Parent & Employer Portal

Your parent/carer will have access to our Parent & Employer Portal. The system allows your parents/carer and employer (if applicable) to access information such as attendance levels, enrolments, targets and comments made by staff. Your parent/carer or employer will receive information about how to access the system in the first term.

My Study Progress

Students can access up-to-date information on performance, attendance and punctuality via ProPortal and OneFile. Please see your Student Manager or teachers for more information.
