

Welcome to Preston College

I would like to personally welcome you to Preston College and thank you for choosing to study with us this year. I will become the Principal and Chief Executive of Preston College on 1 September, and am delighted that like me, you have decided to become part of the wonderful Preston College community. We are all excited to support you on the next stage of your learning journey.

At Preston College, our focus is not only on helping you achieve your qualification, but also on supporting you to develop the skills, confidence and experiences you need to successfully progress to your next step, whether that is university, an apprenticeship or employment.

Every student's journey is different, and our dedicated staff are committed to helping you achieve your goals, overcome challenges and realise your full potential. Our highly skilled teachers are experts in their fields, bringing industry knowledge, professional experience and a passion for learning into the classroom. Working alongside our wider support teams, they will create an environment where you can develop, grow in confidence and achieve your ambitions.

Beyond the classroom, you will have access to a wide range of support and opportunities. Our Careers, Welfare and Learning Support teams are here to provide guidance whenever you need it, and your Student Manager will work alongside you throughout your time at college, helping you stay on track, overcome challenges and make informed decisions about your future.

Our campus offers excellent facilities and a vibrant learning environment designed to help you succeed. We want your experience at Preston College to be positive, rewarding and memorable, and we are committed to helping you make the most of every opportunity available to you.

Most importantly, we are here to help you achieve your ambitions and take positive next steps towards the future you want for yourself.

We are proud to have you as part of our Preston College community and look forward to celebrating your achievements and successes over the coming year.

I wish you every success during your time with us, and I look forward to seeing all that you achieve.

Kate Wallace

Principal & Chief Executive
Preston College

TRANSFORMING LIVES THROUGH EDUCATION
