YOU SAID, WE DID

2025/26 Cycle 2 and 3

PRESTON COLLEGE

YOU SAID
Please can there be a more accessible water fountains for the Sports Hall users?

WE DID
We have installed a new water fountain on the ground floor of the Health and Wellbeing building, opposite reception.

YOU SAID
When will the next Cycle to Work window open?

WE DID
The new Cycle to Work window opened in July. This is being provided by Cycle Solutions and will remain open until June 2027. Please contact HR if you have any further questions.

YOU SAID
Can the Food Court serve desserts as we know that the chef makes fantastic puddings.

WE DID
We are trialing offering hot desserts on Wednesday and Friday's from September.

YOU SAID
There aren't enough toilet facilities in the AH building for the amount of users in that building. Can we also look at some form of kitchen facility too?

WE DID
We have added a new toilet in the AH building and have installed a kitchen facility in that area too.

YOU SAID
It would be good to have a bank of Staff that are available to cover staff absence at short notice.

WE DID
We have created the Cover Directory which hosts a group of part time staff that are ready and available to work additional hours at short notice during the week.

YOU SAID
The development of the Memorial Garden seems to have stopped, when will this be completed?

WE DID
We have committed to making the paths in the garden accessible, we have added outdoor accessible seating and re-seeded the grass. We have added 3 additional flower beds and more wild flower seeds. The Memorial Board and Lectern have also been added.

YOU SAID
There are a lot of towels that need washing in Service Industries. The washing machine can't cope with the demands and often break.

WE DID
We have created a new laundry area, with industrial washing machines and other equipment that is needed to help with the needs of that area.
